ANTONELA RISARO

Hi, my name is Antonela,
I am a certified ELE
(Español como Lengua Extranjera) teacher.
I am also a native speaker.

I have had the pleasure of working as a teacher since 2005
(in schools and as a freelancer).

For almost 10 years of my life
I worked as cabin crew as well, which was amazing
but at the same time exhausting.

After many years of experience
and after having the great opportunity
to travel to fantastic places
where I learnt about new cultures and different ways of living
I decided to venture out on my own
and I founded Poncho Spanish in 2020.

My mission is to educate and empower as many people as I
can.

To give those who would love
to open up to a brand new world of opportunities
the wonderful gift of a new language.

Every person around the world should have access to good
education,

I hope my classes, online courses
and resources help you achieve your goals
and dreams!
